This has to be one of my unluckiest draws ever.
That's Taiyou's positive thinking, for you.
We were all assigned to clean up the pool, after school.
What!?
Well...
Got it
I'll do a bit, and head back to the park.
You sure look serious, all right.
Jackpot !!
Lets do it !!
But there are people around !!
Maimin, you are having fun aren't you?
That's cruel
Come on..... He can't hear you...
[Quickly do it]
Why!?

Ai!?
He saw me...
[I think]
Really!!
But can I have your email address, please?
Hey, you're falling behind, you know.

Don't stare at the sky!!

Hey…

I'm really sorry….

Maimin's overjoyed.

(Good Job)

What should I do…. He isn't replying.

It's obvious ….

It'll be strange if he doesn't get mad, after what I've done to him.

I honestly wanted him to smile...
But he hates me now...
Kyaaa !!?
Do I look like a pervert!!
W... Well, I don't want to look straight at you.
What did you cry out for?

You're the insensitive one, right?
If you've got eyes, you shouldn't look the other way when I'm talking to you.
Huh?
I was afraid that you were mad at me, since you wouldn't say a word.
I'm not mad.
Anyway, let's forget about it.
But Tokuzawa, that's still…

Defeated
You've avoided making eye contact with me,
ever since I started high school.
It wasn't like that…

ガーン
I had to refrain from laughing aloud at you.
I knew it at first glance.
Ehh...
And I remembered it..
Although talking about it now won't change anything …
Ehh...
It was my fault that you got your nickname.
But, why?!
So that you wouldn't think that I was angry with you
I knew it !!
Granny Ai.

Come on...
!!??
Taiyou

I'm scared....

I was too afraid to say anything.
Well, Ai, anyone would be.
Scared!?
What is with that sudden appearance?
I was fooling around
But there's more to it, Ai.
Facing the one you love will make you timid.
Because you wouldn't want him to hate you right?

Mutual love is truly amazing....
The way I see it, I have to have to love myself, before I can ever come to love the person I adore. It seems miraculous.
So it seems....
You really think so Maimin?
You can do it! You can do it !
Regardless of what the rumours say about Tokuzawa... he's a good guy.
But, I still believe that being too honest with him will easily lead to misunderstandings.
It looks like you are showing your inferiority to me....
The changes you desire must come from within... if you don't change... your wish will never come true.
A Miracle by itself will not work ...don't you think so?

返事くらいしてよぉー
Ah, Ai, I sent you a message last night!
Ehh? Ahh.. speaking of that... I haven't had a look at it yet....
My mobile phone.... Is it gone...!?
カチ

Anyway... wanna try it out?
Maimin...
The Miracle of Mutual Love
I'll definitely go for it!
It's time for me to make it happen.

It just occurred to me.
What should i do? I really did lose my mobile phone...
Really.... I don't remember using my mobile phone here...
Those are some cute panties.
Yeah..

What are you searching for now?
I think I lost my mobile phone last night.
I see, so you lost it someplace nearby
The description above Ai's head: Is this for real...
What's the colour of your phone?
It's white ....
Any strap on it?
Just one.
I've already searched all the other places I remember passing by
ホントだね
What about the pool?
Oh yeah..
This is our first time searching together
So in this situation...
You must confess to him before the summer holidays
my chance has come!
ドキドキ
But what should I do now...?
How should I start, and where should I begin?
What should I say to him?

Hey....
Yes!
I'm sorry!
Hey,
I haven't
said
anything
yet....
Ah…
I'm
sorry….
That
isn't it….
Not
again....
Enough
already..
I'm such
a fool…!
This
time…
I'll definitely
say it out.

That is because this time, I've decided what I'm gonna tell him
I like !!!!!

That's it!

Hey.. Is that all!?
What was that for?
That wasn't cool, at all....
....you...

Hey, wait..!
And yet... I ran away which was not a good move at all...
ゴールなはずじゃなかったのにぃ…
Stop right there!!
Ai !!
She's one obedient girl....
She stopped....
Text in top right panel: At this rate, it's becoming really embarrassing

Will your mobile network be alright?
Thank you...
It's waterproof, so it should be fine.
Just now... my name...
Just as I suspected ... I found it in the pool.... It's yours right?
07/15
This is unforgivable ...
Ahhhh...
Maimin What've you done!
I was just trying it out
Hyaa aaaa!!!!

You give up too easily, and miss all the details…
Please don't worry too much about me…
Hey, come on…
For God's sake…
You should be more careful in the future...

Well, Granny Ai… I guess it can't be helped.
A little embarrassment didn't hurt, I guess?
Ehh !?
Even when I didn't say it properly...

What do you mean, you haven't received his reply yet?!
What's more... you still haven't asked for his address...!
Anyway, he laughed at me again.... That is more than enough for me.
Well... I guess at least you did try your very best
I'm already at the limits of my happiness...
At this rate, if anything were to happen ... I'd still be able to help you out.
Sigh... Moreover the summer holidays are approaching too
Ahh...

はっ
I mustn't look away this time...
That was a quick glance

If you really want it… Here's my address, if you're okay with that?

Ai !!!
I got it at last!
